

## YOUNG LEADERS in ACTION

Friday the 23rd January was a special day. We, young leaders participated on the organization of one of the regular meetings of ZPMP ( the organization for disabled people) in our school. Firstly, we got to know each other and we were ready to start with activities planned for this special meeting. The whole afternoon was full of funny games and creative activities. We could not definitely omit the exercise game. Afterwards, we showed our creativity in painting activity. Even though, there was little mess, we spent valuable and pleasant time together.
