

The Debate with the Mayor

The debate with the mayor of our town Mgr. art. Andrej Hrnčiar was held on 15 April 2013. The discussion was about the project Transparent Town. Students had a chance to get to know the entire project - its goals, history, current status, positive outcome and future. The mayor talked about the awards, which the town acquired for project transparency. Students were informed about the opportunities and rights they have as the citizens of this town and the mayor was willing to answer all their questions.

The debate was organized by Club G-8 under the Connecting Classrooms project and it was the first event of the series called **A word with ...**
